ION CHANNEL RETREAT 2011

Share Knowledge. Exchange Ideas. Establish Partnerships

Vancouver BC, Canada • June 27 - 29, 2011 9th Annual

Aurora Biomed invites you to attend the 9th Annual Ion Channel Retreat. Nine years ago Aurora Biomed Inc. (Vancouver, BC) committed to gathering the brightest minds and the most innovative research companies at one conference. The Ion Channel Retreat provides a podium for scientific discourse spanning a wide range of ion channel disciplines. This conference has consistently provided an environment for researchers and industry leaders to exchange ideas, discuss future collaborations and consider future research proposals.
